RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed on March 2, 2006, Applicants hereby provisionally elect, with traverse, species II (Fig. 4) for initial examination in the present application. Claims 1-6, 8, 15-16, 19, and claim 22 (added by amendment in the response filed December 15, 2005) read on the elected species. New claim 22 is generic to all of species I-V outlined in the Office Action.

Applicants, however, respectfully traverse the election requirement since all of species I-V are sufficiently related that a thorough and complete search for species II would necessarily encompass a thorough and complete search for the non-elected species. Accordingly, it is respectfully requested that the election requirement be withdrawn and that all species claimed herein be examined.
